Description

Large Wooden Cot with Drawers - Melamine in White & Cascade – Code B0278

Our Large Wooden Cot with drawers, designed with great care to ensure that your baby is both safe and comfortable.

With fixed sides and an adjustable base featuring three height levels, this cot offers optimal security and ease for your little one.

Not only is our Large Wooden Cot with drawers practical, it's also versatile. Its easy conversion into a toddler bed allows for a seamless transition as your child grows.

Our cot is made to meet your child's changing needs, accommodating them until approximately 2 years old, while the toddler bed can support them until they reach 5 years of age, providing a wise and durable investment.

For your convenience, the cot includes two spacious drawers, offering ample storage space for your baby's essentials.

And with a cot mattress size of 1320mm x 660mm, our Large Wooden Cot with drawers provides a perfectly comfortable fit for your little one.

To complete your nursery setup, this cot can be paired with any of our standard or large compactums.

Whether you prioritize storage space, design or functionality, we have a wide range of options available to suit your unique needs and preferences.

Please view our compactums on the link below:
