Price: R10 499.00

Short Description

Code : B0366

Description

4-in-1 Wooden Cot - Supawood MDF in White – Code B0366

The 4-in-1 convertible cot is a versatile piece of furniture that can be adjusted to suit different stages of a child's growth.

The 4-in-1 wooden cot has three height levels and is fixed sides.

During the first 24 months, the 4-in-1 wooden cot can be used as a comfortable sleeping space for a baby, complete with a changing area and plenty of storage.

The mattress size for this stage is similar to that of a camp cot, measuring 860mm x 660mm.

From 24 months onwards, the 4-in-1 wooden cot can be converted into a toddler bed. This is done by removing the sides of the cot and attaching them to the two drawers at the bottom, which will serve as the base of the bed.

The toddler bed comes with a 3 drawer chest of drawers, and the toddler bed accommodates a large cot mattress, measuring 1320mm x 660mm.

Overall, this convertible cot is a great space-saving option for parents who want their baby to sleep in their bedroom for the first few months, but also want a long-term solution that can grow with their child.

This 4-in-1 convertible cot is a mixture of Supawood MDF and Melamine (Nordic Ice)

Please note that the linen is NOT included in the price!! It is [optional extra](#).

To complete your nursery setup, this cot can be paired with any of our standard or large compactums.

Whether you prioritize storage space, design or functionality, we have a wide range of options available to suit your unique needs and preferences.

Please view our compactums on the link below:

Easy Breath Foam Mattress (Optional Extra):

Size : 860mm x 660mm

The Easy Breath Foam Mattress is a high-quality option for parents seeking a safe and comfortable sleeping surface for their baby.

With holes punched on both sides (top and bottom), this mattress allows for flexible positioning, ensuring that your baby can sleep comfortably on any end of the mattress.

In addition, the Easy Breath Foam Mattress is designed with your baby's health in mind. It is non-allergenic, meaning that it minimizes the risk of allergic reactions for babies with sensitivities to certain materials or substances.

Moreover, the mattress complies with SABS standards, providing parents with the peace of mind that it meets the necessary safety and quality requirements set forth by regulatory agencies.

Overall, the Easy Breath Foam Mattress offers a combination of comfort, safety and convenience, making it an excellent choice for parents seeking a reliable sleeping surface for their baby.

Fitted Sheet (Optional Extra):

Introducing our premium cotton-enriched fitted sheet, expertly crafted with your baby's comfort in mind.

Our lightweight luxury percale fabric boasts a super soft finish that is gentle on even the most delicate skin.

With an elasticated design, our fitted sheet ensures a snug and secure fit, promoting a safe and restful sleep for your little one.

Hypoallergenic and crafted with the utmost care, our fitted sheet is the perfect addition to your baby's nursery.

Trust us to provide the highest quality bedding for your precious bundle of joy.

Mattress Protector (Optional Extra):

Our premium mattress protector, thoughtfully crafted to offer a superior sleeping experience.

Made with cotton-infused material, it provides a hypoallergenic and elasticated surface, ensuring maximum comfort and safety during your slumber.

Not only does our mattress protector deliver on comfort, it also offers exceptional practicality.

Its waterproof and super absorbent barrier effectively shields the mattress from stains, promoting a hygienic sleeping environment.

This feature also extends the lifespan of your mattress, saving you money and hassle in the long run.

Invest in the protection and enhancement of your sleeping space with our high-quality mattress protector, designed to cater to your every need.

Changing Mattress :

We offer an optional towelling changing mattress with a highly absorbent cover that can be easily removed and washed. The changing mattress measures 670mm x 430mm.
