Easy Breath Foam Mattress (Optional Extra):

Size : 1320mm x 660mm

The Easy Breath Foam Mattress is a high-quality option for parents seeking a safe and comfortable sleeping surface for their baby.

With holes punched on both sides (top and bottom), this mattress allows for flexible positioning, ensuring that your baby can sleep comfortably on any end of the mattress.

In addition, the Easy Breath Foam Mattress is designed with your baby's health in mind. It is non-allergenic, meaning that it minimizes the risk of allergic reactions for babies with sensitivities to certain materials or substances.

Moreover, the mattress complies with SABS standards, providing parents with the peace of mind that it meets the necessary safety and quality requirements set forth by regulatory agencies.

Overall, the Easy Breath Foam Mattress offers a combination of comfort, safety and convenience, making it an excellent choice for parents seeking a reliable sleeping surface for their baby.

Fitted Sheet (Optional Extra):

Introducing our premium cotton-enriched fitted sheet, expertly crafted with your baby's comfort in mind.

Our lightweight luxury percale fabric boasts a super soft finish that is gentle on even the most delicate skin.

With an elasticated design, our fitted sheet ensures a snug and secure fit, promoting a safe and restful sleep for your little one.

Hypoallergenic and crafted with the utmost care, our fitted sheet is the perfect addition to your baby's nursery.

Trust us to provide the highest quality bedding for your precious bundle of joy.

Mattress Protector (Optional Extra):

Our premium mattress protector, thoughtfully crafted to offer a superior sleeping experience.

Made with cotton-infused material, it provides a hypoallergenic and elasticated surface, ensuring maximum comfort and safety during your slumber.

Not only does our mattress protector deliver on comfort, it also offers exceptional practicality.

Its waterproof and super absorbent barrier effectively shields the mattress from stains, promoting a hygienic sleeping environment.

This feature also extends the lifespan of your mattress, saving you money and hassle in the long run.

Invest in the protection and enhancement of your sleeping space with our high-quality mattress protector, designed to cater to your every need.

Cot Holder (Optional Extra) :

Introducing the Cot Holder, a practical accessory designed to streamline the process of changing your little one's nappy or clothing. With ample storage space for nappies and toiletries, this item offers the perfect solution to keep everything you need within arm's reach.

Crafted to fit snugly on the sides of your cot or on the headboard or foot-end, the Cot Holder seamlessly blends in with your nursery decor. Its compact size ensures that it does not take up too much space, while still providing sufficient storage capacity.

The Cot Holder is an indispensable addition to any parent's toolkit, providing convenience and organization during nappy changes. Invest in this must-have item today and simplify your parenting journey!

Dressing / Changing Area (Optional Extra):

Introducing our space-saving changing area designed to provide convenience and comfort for both you and your baby during changing time. With a length of 785mm and a width of 480mm, this changing area is compact yet spacious enough to accommodate your baby's needs.

Crafted with precision and attention to detail, our changing area is built to be placed on top of your cot, ensuring the perfect height for changing your baby without any discomfort or strain on your back.

Invest in our space-saving changing area today and make changing time a hassle-free and enjoyable experience for both you and your little one.
