Description

Large Wooden Emma Cot – Code B0391

Introducing the Large Wooden Emma Cot, a secure and adaptable sleeping solution for your child.

Our Large Wooden Emma Cot features three adjustable height levels and fixed sides, prioritizing safety and convenience.

Our Large Wooden Cot easily transforms into a toddler bed and includes a safety rail, ensuring a seamless transition from infancy to early childhood.

The Emma Cot accommodates your child from birth until approximately two years of age, providing a comfortable sleeping experience.

The toddler bed can be utilized from two years old and beyond, providing long-lasting value.

The cot boasts a contemporary design with diagonally slanted sides, adding a touch of sophistication to any nursery decor.

Our Large Wooden Emma Cot is expertly crafted from a combination of melamine and supawood MDF, ensuring durability and reliability.

To complete your nursery setup, this cot can be paired with our Emma Large Compactum.
