Description

Large Tent Cot - Supawood MDF in White & Pine (Oak Smoke) – Code B0411

Our Large Tent Cot offers a comfortable sleeping space for your baby and also adapts to your child's growth over time..

As your baby transitions into a toddler, this cot can easily convert into a toddler bed, saving you money and hassle of buying a separate bed.

Safety is always our top priority. That's why our cot is fixed sided, ensuring that your baby is secure.

Additionally, it has three height levels, so you can adjust the cot as your baby grows and becomes more mobile.

The Pine and Supawood MDF used in this cot are durable and reliable, ensuring that your baby is sleeping in a safe and healthy environment. Plus, the cot is versatile in style, suitable for both boys and girls.

To make your life easier, we also offer an optional drawer underneath the cot for extra storage space.

Our nursery furniture is known for its stability and excellent quality, giving you peace of mind that your baby is sleeping soundly and safely.

Size of Cot :
